*****Important Health Reminder for Parents and Caregivers*****—In light of recent illnesses circulating within our community, we would like to remind everyone of our policy regarding children who are unwell. To help prevent the spread of illness, children must remain at home for ***at least 24 hours after their last episode of vomiting, diarrhea, or fever.*** This is to ensure that your child is fully recovered and to protect the health of other students and staff.

We kindly ask for your cooperation in following this guideline to minimize the impact of these illnesses on our school community. Thank you for your understanding and continued support.

Our Lost & Found rack is overflowing! - On dry days, we'll place the rack near the front entrance for you to check for any items your child may have lost. Unclaimed items will be donated after March 14th.

*****Parking Reminder***** parents are **not** permitted to park in the staff lot adjacent to the playground before school, during school, or after school. Parents should **ONLY** use the drive through drop off lane OR park in non-reserved parking spaces in the parking lot off of Acadian.

Scent Free—A reminder to parents and students that Happy Valley is a Scent Free Building. Scented products may provoke symptoms in sensitive individuals, including triggering responses in those with allergies and chemical sensitivities, the Board expects all staff, students and school district visitors to be aware and considerate about the effect of scented products anywhere in the District.
