

What's coming up at Happy Valley...

<u>Monday June 2</u>	<u>Tuesday June 3</u>	<u>Wed June 4</u>	<u>Thursday June 5</u>	<u>Friday June 6</u>
				KERNELS POPCORN 

Happy Valley Move-a-Thon a Huge Success! - We're thrilled to share that the Happy Valley Move-a-Thon was a big success! Our students had a blast participating in a variety of fun activities, including cheerleading, yoga, and walking along the Galloping Goose.

A big thank you to the HV PAC and the parent volunteers that organized and supported the event. Stay tuned—we'll be announcing the total amount we fundraised very soon!

2025/26 School Supplies—School supply lists for each grade have been sent by email and posted to the Happy Valley website.

Looking Ahead to Next School Year—As we begin planning for the upcoming school year, we kindly ask families to let us know if your child(ren) will ***not*** be returning to Happy Valley Elementary due to a move or other plans. This information helps us determine how many spaces will be available for new students joining our community. Please notify us by sending an email to happyvalley@sd62.bc.ca. If your child will be attending SCIANEW STELITKEŁ, there is no need to contact us—we already have that information.

Dressing for the Weather—As we move through May, the weather continues to be unpredictable—sunny one moment and rainy the next! Please remember that students go outside for both recess breaks, regardless of the weather. We encourage families to check the daily forecast and ensure children come to school dressed appropriately. Rain jackets, hats, and layers are great options to help keep students comfortable throughout the day.

*****Parking Reminder***** parents are ***not*** permitted to park in the staff lot adjacent to the playground before school, during school, or after school. Parents should **ONLY** use the drive through drop off lane OR park in non-reserved parking spaces in the parking lot off of Acadian.

Scent Free—A reminder to parents and students that Happy Valley is a Scent Free Building. Scented products may provoke symptoms in sensitive individuals, including triggering responses in those with allergies and chemical sensitivities, the Board expects all staff, students and school district visitors to be aware and considerate about the effect of scented products anywhere in the District.
