Happy Diwali! 				PRO D DAY NO SCHOOL

PAC Bottle Drive—Thank you to everyone who is volunteering to support the PAC bottle drive this weekend!

Friendly Reminder— Please do not block any driveways when dropping off your student. We have had some concerned neighbours reaching out to us that this is happening.

No Dogs allowed on school grounds – A reminder that dogs are not permitted on school grounds **between 8:00 AM and 3:30 PM on school days**. This policy helps ensure the safety and comfort of all students and staff. Kindly inform any friends or family members who may occasionally pick up students about this rule. Thank you for your cooperation!

Early Pick-ups for appointments— Please email your child's teacher to advise them of the date and time of the pick up and make sure to sign them out of the office when you come to pick them up. Teacher email addresses can be found on the Happy Valley website.

****Important Parking Notice – Please Read****

Parking is extremely limited, and it is critical that all designated staff parking spaces remain available for staff only — no exceptions. **Parents are not permitted to park in the staff lot adjacent to the playground at any time. This includes before, during, and after school.** While we understand the challenges of drop-off and pick-up, when staff parking is taken by others, it directly disrupts school operations.

Coast Salish Moon

PEKELANEW – The Moon That Turns the Leaves White (October)

This is the moon of the turning white season (frost). This moon brings the first frost. The leaves lose their colours and turn pale. Deer hunting is the activity during this moon. The earth is cooling down and the people turn their efforts to hunting.
