Winter Concerts

We look forward to welcoming families to our Winter Concerts on December 10th and 11th! Tickets are available through SchoolCash Online. Instructions for setting up an account and adding students can be found on the Happy Valley website under the SchoolCash tab.

12 Days of Kindness

We will have boxes at the entrance to the gym on both concert days to collect your 12 Days of Kindness donations. Please note: the food bank **can not accept any open boxes including boxes of individually packaged items**. For example, no "loose" pouches of oatmeal, individual fruit cups or granola bars. Donations must be full unopened boxes. Thank you for helping us support the Goldstream Food Bank!

Spare Clothing

Cold, wet weather is upon us! Please make sure your child has a full change of clothing at school in case they need it.

We are also seeking donations of gently used kids' sweatpants or leggings in sizes small through large. With the recent stretch of wet weather, our supply—especially in small and medium sizes—has been completely depleted. Any contributions for our spare clothing bins would be greatly appreciated!

Lost & Found

Our Lost and Found rack is FULL! Please check it on your way into the concert or anytime before or after school to see if any of the items belong to your children. Unclaimed items will be donated in January.

Help Keep Our Community Healthy—As we spend more time indoors during the cooler months, communities often see an increase in various communicable diseases and our schools are no different.

The BC Centre for Disease Control has shared a [Quick Guide to Common Childhood Diseases](#), which includes helpful information about: How infections are spread; Ways to stop the spread of infections; Healthy habits to prevent illness; Common childhood diseases
