Important Reminder About Afternoon Dismissal

This is a reminder that the dismissal bell rings at **2:28 p.m.** There is no supervision for primary students after 2:28. **Children in Kindergarten, Grade 1 and Grade 2 must be picked up from their classroom lineups promptly at that time.** Please plan to arrive on time. When pickup is delayed, children can feel worried or anxious. In addition, our teachers have their own professional commitments and families to attend to after dismissal. We appreciate your cooperation in ensuring a smooth and timely dismissal each day.

****Reminder—Student sign in Procedures****

If your child arrives after the morning bell, please remember that they must stop at the office to sign in before going to class.

For the safety of all students and staff, parents and guardians should not enter the building beyond the office without signing in and wearing a visitor badge. This procedure is an important part of our Safer Schools program and helps us ensure a secure learning environment for everyone.
